## JOBS BOOST FOR MAYO

**THERE** was good news for Mayo on the jobs front as 40 new positions were announced by a retail software company in Claremorris

CBE develops and supplies point of sale solutions for the retail and hospitality sectors. The company sells its products mainly to the independent retail groups and hospitality markets.

The jobs are being created with the support of Enterprise Ireland.

The company says it will employ 150 people by the end of 2017.
