## FutaTill EPOS Software

## Next Generation EPOS Software Has Arrived

*“CBE is not surprised at the success of FutaTill software and that leading retailers have selected it as best in class. CBE has one of the most experienced if not the most experienced retail technology Research and Development teams in Europe. This ensures retailers that they will always be at the cutting edge of retail technology.”*

**Dominic Feeney,**  
Systems Director, CBE

Pioneering point of sale supplier to the retail and hospitality industries, CBE, is ushering in a new era of opportunity with the launch of its FutaTill EPOS Software

The future of retail technology is here today – brought to you by a company and brand that you can trust

**We Sell because We Service**

# FutaTill EPOS

The CBE innovation team has introduced to the marketplace the next generation EPOS software for the supermarket, convenience and forecourt sectors

Designed and developed in CBE's innovation lab the software has been selected as best in class by leading retailers throughout Ireland and the UK

## Success Stories

*"I have worked with a lot of EPOS systems over the years but the CBE FutaTill solution is the most complete package that I have seen to date"*

**David Charman,**  
UK Convenience Retailer  
of the Year 2014

*"We spent over two years researching the EPOS market before selecting CBE FutaTill as the chosen solution. It had everything that we needed for our system ambitions - not only now but also into the future"*

**Patrick Sewell,**  
Managing Director  
Sewell Retail Group

*"We have invested in the CBE solution across all of our retail and forecourt sites. This is mainly due to the innovation and quality of their products but also because we trust them as a company to deliver for us today and into the future."*

**Brendan Duffy,**  
Financial Controller, Supermacs  
Restaurants and Retail Operations

# Innovators in Retail Technology
